DAYLESFORD'S
FAVOURITE STREET
EXHIBITION

In 2025 Rotary, with the support of local artists, successfully piloted the "Window Wombats" program in Daylesford.

30 individually painted wombats were displayed in shop windows and sold via an online auction.

The program created festive interest in the street, raised funds for Rotary, the Men's Shed and participating artists.

\$5,000 OF PROCEEDS WAS DISTRIBUTED.
